

Thurrock Community Safety Partnership has been working hard and listening to residents to make **Chafford Hundred** a safer place

You Said:

Anti-social Behaviour was being caused by young people in Chafford Hundred and North Stifford Village particularly around Drake Road.

We Did:

There has been an increase in the number of patrols around the area both hi-visibility and undercover. Incidents of Anti-social Behaviour have already reduced and continue to be monitored.

You Said:

House burglary and theft were seen to be a problem.

We Did:

Patrols, both hi-visibility and unmarked, are operating in the area. Residents in priority areas have also received burglary packs from Police Community Support Officers - these include advice, information and property marking kits. Burglary packs are also available from your local police station.

How You Can Have Your Say:

Community Forums and Neighbourhood Action Panels offer you the chance to have your say about the issues affecting your area and set priorities for action by local policing teams and partners.

The Chafford Hundred Community Forum meets bi-monthly from 8pm at: Chafford Gorges Visitors Centre, Drake Road, Chafford Hundred. For more information visit www.chaffordhundredcf.org.uk

The Stifford Community Forum meets at the Baptist Church Hall, Premier Avenue, Sockets Heath, Grays. For more information visit www.stiffordcf.org.uk

What We Plan to Do:

The issue of nuisance motorbikes across the borough is being addressed with new police signs explaining they have powers to seize any unauthorised vehicle.

Dispersal orders continue to be used to target particular areas across the borough and address issues of Anti-social Behaviour.

We are introducing 'No Cold Calling Areas' at sheltered housing complexes where required in Thurrock, to protect residents from rogue traders and burglars.

How You Can Help Us:

The Partners of the Thurrock Community Safety Partnership continue to work to make your area safer and feel safer. Neighbourhood Policing Teams dedicate 80 per cent of their time patrolling your neighbourhood but they cannot be on every street every minute of the day.

Everyone can make a difference in the fight against crime, ensuring they secure their home, car, garage and shed and avoid leaving valuables on show. Remember to shut all doors and windows and never leave your car running while unattended. Property marking kits are also available from your local police station.

For more information about policing in your area visit
http://www.essex.police.uk/my_neighbourhood/thurrock_district.aspx

What You Can Do:

We can only respond to issues if we are made aware of it. Please attend your Community Forum and report incidents. If you have any ideas about how your community can be improved forums are allocated budgets for this purpose.

To report Anti-social Behaviour call the
Community Protection Team on **01375 652211**

Contact Essex Police on **0300 333 4444** or
call Crimestoppers on **0800 555111**

In an emergency always dial 999
