

Thurrock Community Safety Partnership has been working hard and listening to residents to make **Orsett, Horndon and Bulphan** a safer place

You Said:

Speeding was an issue in Orsett, Bulphan and Horndon-on-the-Hill.

We Did:

The number of patrols has been increased and Neighbourhood Speed Watches are being set up in the affected areas.

You Said:

House burglary was causing concern in all three areas.

We Did:

Patrols of both unmarked vehicles and high visibility vehicles and officers have increased. Burglary hotspots have been identified and information packs distributed by Neighbourhood Policing Teams and Police Community Support Officers. The packs include advice and hints as well as property marking kits and are available from your local police station.

How You Can Have Your Say:

Community Forums and Neighbourhood Action Panels offer you the chance to have your say about the issues affecting your area and set priorities for action by local policing teams and partners.

The Horndon Community Forum is on the 1st Wednesday of every month from 8pm at the Woolmarket, High Road, Horndon.

For more information visit www.horndoncf.org.uk

The Bulphan Community Forum meets at Bulphan Village Hall. For more information visit www.bulphancf.org.uk

What We Plan to Do:

The issue of nuisance motorbikes across the borough is being addressed with the installation of signage explaining powers which include seizing any unauthorised vehicle.

Signs will be put up in a number of areas including Bulphan Rec.

Dispersal orders continue to be used in appropriate areas across the borough to address issues of Anti-social Behaviour.

We are introducing 'No Cold Calling Areas' at sheltered housing complexes where required in Thurrock, to protect residents from rogue traders and burglars.

How You Can Help Us:

The Partners of the Thurrock Community Safety Partnership continue to work to make your area safer and feel safer. Neighbourhood Policing Teams dedicate 80 per cent of their time patrolling your neighbourhood but they cannot be on every street every minute of the day.

Everyone can make a difference in the fight against crime, ensuring they secure their home, car, garage and shed and avoid leaving valuables on show. Remember to shut all doors and windows and never leave your car running while unattended. Property marking kits are also available from your local police station.

For more information about policing in your area visit http://www.essex.police.uk/my_neighbourhood/thurrock_district.aspx

What You Can Do:

We can only respond to issues if we are made aware of it. Please attend your Community Forum and report incidents. If you have any ideas about how your community can be improved forums are allocated budgets for this purpose.

To report Anti-social Behaviour call the Community Protection Team on **01375 652211**.

Contact Essex Police on **0300 333 4444** or call Crimestoppers on **0800 555111**.

In an emergency always dial 999.
